JING TEAS & INFUSIONS

JING is a collection of Single Garden Teas and Infusions extremely focused on sustainability, excellence and purity of flavours. JING's teas are the finest quality expressions of authentic provenance, outstanding skill, and exceptional taste: teas that reflect the local terroir and traditional production methods.

TEAS £ 4.5

Black Assam

The Assam terroir borders the Himalayas and is renowned for its rich soils, producing teas that offer the ideal balance of strength, assertiveness and malty flavour.

Earl Grey

Ceylon tea from Ruhuna, Sri Lanka, has been selected as a base. Natural bergamot extract is then added to temper the tea's fragrance and imparts the iconic citrus note.

Jade Sword Green Tea

This exceptional organic spring tea cultivated at an altitude of 800m is bursting with sweet spring flavour. It gives a refreshing infusion with pleasant sappy top notes.

Jasmine Silver Needle

The sweetest, spring picked white tea buds are scented with fresh jasmine flowers, the result is a refreshing infusion with notes of delicate honeyed apple.

Decaffeinated Ceylon

Malty, rich and full bodied with notes of dried fruit. A fantastic example of Ruhuna's best tea gardens in a satisfyingly smooth infusion.

INFUSIONS £ 4.5

Chamomile

Chamomile flowers are freshly picked and slowly dried for optimum flavour and aroma, creating a calming caffeine-free herbal infusion with delicate and soothing floral note.

Rooibos

Only grown in Cederbeg, South Africa – caffeine-free and similar to traditional tea, long cut rooibos leaves are oxidised for a sweet, honeyed herbal infusion.

Whole Leaf Peppermint

Intensely fresh and minty, yet soothing and cleansing. Deep, vibrant, golden yellow with a long finish.
