## TEAS & INFUSIONS

### TEAS

**Black Assam** £ 4.5

The Assam terroir borders the Himalayas and is renowned for its rich soils, producing teas that offer the ideal balance of strength, assertiveness and malty flavour.

**Earl Grey** £ 4.5

Ceylon tea from Ruhuna, Sri Lanka, has been selected as a base. Natural bergamot extract is then added to temper the tea's fragrance and imparts the iconic citrus note.

**Jade Sword Green Tea** £ 4.5

This exceptional organic spring tea cultivated at an altitude of 800m is bursting with sweet spring flavour. It gives a refreshing infusion with pleasant sappy top notes.

**Jasmine Silver Needle** £ 4.5

The sweetest, spring picked white tea buds are scented with fresh jasmine flowers, the result is a refreshing infusion with notes of delicate honeyed apple.

**Decaffeinated Ceylon** £ 4.5

Malty, rich and full bodied with notes of dried fruit. A fantastic example of Ruhuna's best tea gardens in a satisfyingly smooth infusion.

### INFUSIONS

**Chamomile** £ 4.5

Chamomile flowers are freshly picked and slowly dried for optimum flavour and aroma, creating a calming caffeine-free herbal infusion with delicate and soothing floral note.

**Rooibos** £ 4.5

Only grown in Cederberg, South Africa – caffeine-free and similar to traditional tea, long cut rooibos leaves are oxidised for a sweet, honeyed herbal infusion.

**Whole Leaf Peppermint** £ 4.5
