Wine List

At Lan y Môr we showcase progressive and sustainable winemakers from Europe and New World as well as a handpicked selection of some of the best producers in the United Kingdom.

We love wines that do not necessarily conform to standards yet are the purest expression of terroir displaying the best of the grape variety. Wines that respect single vineyard specificity and change year on year.

Our remarkable natural setting inspires us to champion organic viticulture and low-intervention winemaking alongside small and independent producers. Please take your time to enjoy our wine list. If you need help with your selection, we are here for you.

All prices mentioned in the wine list include VAT at the current rate. Please note that vintages are subject to change and availability. In accordance with UK Legislation our wines by the glass are sold as 125 ml unless specified and may contain sulphites as well as other allergens. Do not hesitate to speak to a member of the Team if you have any questions.
